

Real Game Training - November 19th & 20th, 2001

8 A.M. – 4 P.M.

Hawthorne Suites: 2990 W. Thunderbird Rd, Phoenix, AZ

Sponsored by

Arizona Career Resource Network (AzCRN)

*We are offering 4 different workshops over a two-day period. One workshop is an all day session. You have the option of attending both days, so that you can attend two different workshops, but make sure that you check the appropriate session being offered that day. If you attend two sessions over the two days, you will also have to pay the registration fee for two days of training. **Space is limited to 25 participants per workshop, so register today.***

AzCRN will provide a Real Game kit to those schools that do not already have a kit (\$200 value) if they send a team* of 2 and register by 11/16. Each participant that receives a free kit must agree to the following commitment:

Training will be provided to students within their school. Each kit that is provided will be licensed to one site only (your school); therefore it becomes the property of the school.

Signatures acknowledging commitment to provide training to students at their school
